2.7 Travelling Abroad with your Pet

Your policy with **us** may include cover while **you** travel with **your pet** in any **European Union** countries and have an Animal Health Certificate (AHC) or an Export Health Certificate (EHC). Please check **your schedule** to find out if **you** can claim this **benefit**, and what **limits** might apply (noting that they may be different from the equivalent limits that apply in the United Kingdom).

This **benefit** relates only to any emergency treatment for **your pet** while **you** are both abroad. It doesn't cover any costs **you** might incur if **you** have to cancel **your** holiday because **your pet** is ill, which is instead provided under the 'Holiday cancellation' benefit of **your policy** if **your schedule** confirms **you** have it.

What you are covered for

We will provide the cover described below up to the specific travel cover limit(s) and minus the contributions shown in **your schedule** while **you** are on a trip to in the European Union for a maximum of 31 total days in any **period of insurance**.

If **you** plan on taking **your pet** in the **European Union**, **you** must give **us** the dates of **your** trip in advance, provide **us** with evidence of **your** travel itinerary and comply with the rules for taking **your pet** abroad, which can be found here: gov.uk/taking-your-pet-abroad. **You** must make sure that **you** check the rules for the country **you** are travelling to for any specific requirements before you travel.

- ✓ For **vet fees** **you** have paid for any reasonable and necessary emergency treatment received in the **European Union** that is required to save **your pet's** life.
- ✓ For fees **you** have paid for putting **your pet** to sleep in the **European Union** (euthanasia) if it is recommended by a **vet**.
- ✓ The costs of quarantining **your pet** including removing and replacing a microchip, and replacing any **PETS** certificate or certificate of **treatment** against parasites if **your pet** is not allowed back into the **United Kingdom** because of the failure of their microchip, or the loss or theft of any of these documents.

- ✓ **We** will pay **you** up to £250 towards the cost of replacing **your pet's** travel documents if they are lost, stolen or destroyed while **you** are travelling, as long as they are kept in your locked accommodation or in the locked boot, covered luggage area or glove compartment of a locked vehicle when they are not with **you**. **You** must also get a police report and tell the issuing vet within 24 hours of discovering them missing. If the loss or theft was on a ship, aircraft, train or coach **you** must report the loss to the company who arranged the travel and get a report.
- ✓ In all cases, **you** must settle any bills directly with the local party overseas in the local currency. If **we** agree to reimburse you, **we** will do so in British Pounds (£GBP) at the exchange rate applying when **we** process your claim.

What we will not pay for

- x Any amount incurred outside the period of **your** trip.
- x Any amount arising from an **accident** or **illness** that happened or showed any **clinical signs** before **your** trip.
- x Any amount for **treatment** of **your pet** which the treating **vet** believes could have been delayed until **you** returned to the **United Kingdom**.
- x The cost of any treatment if **your** trip was made to get **your pet** treated abroad.
- x Any amount resulting from an **illness** that **your pet** contracts while outside the **United Kingdom** except for life-saving emergency **treatment** expressly covered under this section. Any further treatment for such an **illness** in the **United Kingdom** will still be subject to the travel limit for veterinary fees defined in **your schedule**.
- x If **your pet** has any restrictions imposed, is confiscated or destroyed by any government or public authority, except as explicitly covered in this section.
- x If **your pet** doesn't have a valid Animal Health Certificate (AHC) or an Export Health Certificate (EHC) or if **you** don't follow the requirements set out at gov.uk/taking-your-pet-abroad.
- x Any costs incurred in complying with the rules at gov.uk/taking-your-pet-abroad.
- x Where the microchip was not checked and found to be functioning properly before **your** departure on any trip.
- x Any costs resulting from a microchip that doesn't meet ISO 11784 or 11785 Annex A.
- x Any costs resulting from the loss or theft of any document if they were left unattended except in **your** accommodation or out-of-sight in a locked vehicle.
- x Any costs resulting from the loss or theft of any document unless **you** immediately took steps to find the document, reported its loss within 24 hours to the appropriate authorities (police and/or travel operator) and obtained proof of such a report.
- x If **your pet** has been outside the **European Union** during **your** trip or within six months of the start of **your** trip.
- x If **you** travel against a vet's advice, or if **you** break the laws or regulations of the **United Kingdom** including relating to animal health and importation.
- x For repatriation of **your pet** following their death.

What we will not pay for/cont...

If more than one person is injured, dies or has their property damaged, **we** will pay compensation and legal costs awarded by a court and the legal costs of defending the claim up to the **maximum benefit** amount of this section of **your** policy.

We are not liable to pay any more than this **maximum benefit** amount.

If someone else was looking after **your** dog when the injury, death or damage occurred, **we** will pay if:

- ✓ **You** asked them to look after **your** dog;
- ✓ **You** did not agree to pay them to look after **your** dog;

Other Dogs

If another dog was involved with **your** dog in causing the injury, death or damage (even if the other dog belongs to **you**), **we** will only pay for the damage, injury or death caused by **your** dog insured under this policy. If **your** other dog is not insured under this policy, or the dog belongs to someone else, **you** or the other owner will have to pay for the share of the injury, death or damage caused by that dog.

2.8 Third Party Liability/cont...

What you must do

- **You** must tell **us** as soon as **you** are aware of the injury, death or damage which is being claimed against **you**.
- **You** must tell **us** about any other insurances **you** have (for example, house contents or liability insurance) which could cover the cost of the damage, injury or death caused by **your** dog. **We** will contact the other insurer(s) to agree which insurer will handle **your** third party liability claim and what **our** liability will be to pay any compensation, costs and fees. **We** will work this out by looking at the cover under each of **your** relevant policies.
- Do not admit that **your** dog was at fault or offer to make payments to anyone unless **you** have already received written confirmation from **us** to do so.
- Do not give anybody information or help them claim against **you** unless **you** have received confirmation from **us** to do so.
- Do not answer letters from people who may claim against **you**, or who are acting for people who may claim against **you**. Send all information, documents and letters that **you** receive to **us** straight away.
- **You** must give **us** any help **we** ask for and follow any instructions **we** give **you** - this includes giving **us** all information and documents **we** need that are relevant to **your** claim, at **your** cost. **We** may choose to take over any complaint or legal action against **you**, in **your** name and at **our** cost.
- There is no need to find **your** own legal help. Once **we** have reviewed the claim **we** will arrange for legal representation, if it is needed.
- Following a claim under this section or an incident involving **your** dog which relates to this section, **we** may take the decision not to continue to cover **your** dog under this section when **you** next renew **your** policy. If **we** take this decision **we** will advise **you** in writing and change **your** premium to remove this part of **your** cover.

3 Policy Cancellation

Your right to cancel

If **you** are thinking of leaving **us**, please contact **us** on 0345 602 4797 or via live chat on **our** website. **You** can also send **us** an email through **our** website.

Within the 'cooling off period'

If **you** cancel during the first 14 days **you** will receive a full refund of the **premium** so long as no claim has been paid. If **we** have paid a claim, there will be no refund.

Outside the 'cooling off period'

If **you** pay monthly, and **you** cancel outside the first 14 days **we** will cancel **your** policy and not collect the future monthly payments, unless a claim payment has been made in your current policy year when **premiums** will become due. If **you** pay annually, and cancel outside of the first 14 days, **we** will cancel **your** policy and refund **premiums** for the remaining length of policy, unless a claim payment has been made in your current policy year in which case no refund will be made.

Our right to cancel

We may cancel **your** insurance cover straight away when:

1. **You** deliberately tell **us** something which is untrue or misleading when **you** reply to any question **we** ask **you** when **you** buy **your** policy, or ask **us** to make a change to **your** policy (or **we** can show that **you** did not take reasonable care to make sure the information **you** told **us** was true).
2. **You** tell **us** something that is untrue or misleading by mistake when **you** reply to any question **we** ask **you** when **you** buy **your** policy or ask **us** to make a change to **your** policy which, if correctly answered, would have caused **us** to not accept **you** for cover.
3. There is proof of dishonesty or deceitful behaviour by **you** (or by someone acting on **your** behalf) which affects this policy.
4. Due to a change in law or regulation.
5. Sanctions are applied to **you** or any joint policy holder.
6. Where **you** have failed to take proper care of **your pet** as detailed in the 'Things **you** need to do' section.

Sanctions means legal financial restrictions applied to **you** which make it an offence for **us** to pay any money (for example, for a claim or a refund of **premium**) to **you** under this policy.

Policy Cancellation/cont...

This means that if **you** or any other relevant third party who has suffered a loss which would otherwise be covered under the policy, are the subject of a sanction, **we** may not be able to provide cover under the policy. 'Sanctions' means any sanctions, ban or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or **United Kingdom**.

If **your** policy is cancelled as a result of points 1, 3, 4 or 5 above, **we** will not return any **premiums you** have paid. If **your** policy is cancelled as a result of point 2 above, **we** will return any **premiums you** have paid so long as no claim has been made.

Any decision to cancel cover will be made at an individual level and will be based on whether **you** have made a claim, except where points 1, 2 or 3 above applies.

Cancellation of **your** policy will not affect **your** entitlement to claim for any event which happens before the date of cancellation, except where points 1, 2 or 3 above applies.

4 Things you need to do and we need to do

Things you need to do

- **You** must submit **your** claim for **vet fees** along with invoices showing costs and/or fees **you** have incurred within 6 months of the date when any treatment started. Failure to do so will result in non-payment of **your** claim unless there are exceptional circumstances.
- **You** must arrange for a **vet** to examine and treat **your pet** as soon as possible after it has shown early signs of an injury or **illness**.
- **You** must ensure that you give **your pet** regular flea and worm treatment and take **your pet** for regular annual check-ups, including dental checks and vaccinations (with licensed products) as recommended by **your vet**.
- **You** must respond honestly to any request for information **we** make when **you** take out cover under this policy, or apply to make a change to **your** cover. If any statement of fact **you** make is untrue or misleading, this may affect the validity of **your** policy, any claims previously paid by **us**, and whether **you** can make any claim in the future.
- **You** must not make any claim **you** know is false or dishonest.
- **You** must pay **your premiums** in full and on-time.
- If **you** do not carry these out, **we** may not pay part of any claim **you** may make.
- **You** must comply with UK laws and legislation.

Things we need to do

- **We** will assess all claims fairly, reasonably and quickly against the information **you** tell **us** and the terms of the policy.
- **We** may need to see **your pet's** records from any **vet** who has treated it and any other information about **your pet** before **your** claim is paid. If the **vet** charges for this information, **you** will have to pay.
- **We** may need to arrange for someone to visit **you** and **your pet** if **we** feel **we** need further information to properly understand **your** claim.

6 Legal and Compliance

6.1 Contract of Insurance

This policy is renewed each year. **You** can either pay as a single payment once yearly or in monthly payments. The contract of insurance between **you** and the **underwriter** is the policy terms and conditions and **your schedule**.

Your cover will end when one of the following happens:

- The date **your pet** dies.
- The date of cover **you** last paid up to, if **you** miss a **premium**.
- The date **you** or **we** cancel **your** cover.

6.2 Premiums and Terms and Conditions

The **premium** and terms and conditions for this policy are fixed for 12 months and reviewed annually on the anniversary of the policy **start date**.

However, if there is a change to **your** circumstances or correction to **your pet's** details, **we** may need to alter **your premium** during the 12 month period.

The **underwriter** will review the terms and conditions and the **premium** each year. Following this review, **your premium** may go up, go down or stay the same.

The **underwriter** will only change the **premium** for these reasons:

- A change in any general costs for the running of **our** business.
- A change in the scheme performance or claims experience. For example, this could be due to information that suggests claims or **veterinary fees** may go up or down.
- Changes to **your** circumstances such as the age of **your pet**, claims history or any change to **your** address.
- Any change in our existing assumptions such as the Insurance Premium Tax rate, regulatory requirements, interest rates and tax rates.

The **underwriter** will not change the **premium** for any other reason or to recover previous losses.

If **we** change the policy terms and conditions, it will only be for these reasons:

- To improve **your** cover.
- To make the policy wording clearer or to correct any errors.
- To meet any laws or regulations or Insurance Premium Tax (IPT).
- Due to any of the reasons **we** say for changing the **premium** above.

Legal and Compliance/cont...

The **underwriter** will not change the terms and conditions for any other reason or to recover previous losses.

Each year, at least two weeks before the current **policy year** is due to end, **we** will send a renewal notice to **you** setting out the new policy terms and conditions and **premium** for the next **policy year**. If **you** have already given **your** consent for **us** to collect the **premium**, **your** payment will continue to be taken using the same payment details unless **you** tell **us** otherwise. **Your** cover under this policy will continue as long as **you** pay the **premium** whenever **your premiums** are reviewed.

You must continue to pay the full **premium** even when **you** are making a claim. This will make sure cover continues for any further **treatment** or other costs.

If **you** want to cancel **your** policy, **you** can at any time.

6.3 Fraud

If **we** make any claim payments because of dishonesty or deceitful behaviour by **you** (or by someone acting on **your** behalf), then:

- **We** may stop making further payments and may seek to recover from **you** any sums paid by **us** for any dishonest claim;
- **We** may cancel the contract with effect from the time of the behaviour which may affect other claims; and
- If **we** cancel the contract, **we** may not pay any claims occurring after the time of the dishonest or deceitful claim.

If **we** cancel **your** cover due to fraud, **we** will not return any of the **premiums** paid by **you**.

Any valid claim occurring before the dishonest claim will not be affected.

6.4 Reinstatement

If **you** cancel **your** cover under this policy or the cover ends due to unpaid **premium**, **you** can ask for the policy to be reinstated. If **we** agree to this, any claim or **condition** which starts during the period when **your** cover had ceased, will not be accepted.

6.5 General Conditions

- **You** and **your pet** must live in the **United Kingdom** at the address shown on **your schedule**.

Legal and Compliance/cont...

- Geographical limits - this insurance only applies in the **United Kingdom**, the Channel Islands and the Isle of Man except for **vet fee** claims occurring while **you** are travelling abroad to any country included in the **PETS**.
- Choice of Law - this policy is governed by English Law. Any legal proceedings will be held in the courts of England and Wales. If **you** live in Scotland, Northern Ireland, the Channel Islands or the Isle of Man, **you** can start legal proceedings in **your** local courts.
- Surrender value - when **your** cover under this policy ends it will not have a cash value.
- Transfer rights - the rights given under this policy can be transferred directly to another individual taking on the full responsibility of the **pet** if **we** agree. To transfer the rights of **your** policy, please contact **our** customer services department. Transfer of rights may result in a change to the **premium** amount.
- All contact with **you** will be in English.

6.6 Change of Insurers

It may be that the insurance company underwriting **your** cover could change at renewal. If this happens **you** will be told of this change not less than 14 days before **your** current policy renews and told about any changes in **your** policy cover.

If **you** pay by direct debit or credit card then **your** policy may be automatically renewed with the new insurer. If **you** do not want **your** policy to be renewed then please let them know before the renewal date.

6.7 Financial Services Compensation Scheme
